President Dr Tony Tan,

Distinguished guests, ladies and gentlemen,

Good evening,

On behalf of JUMBO Group, I am deeply honoured to be here tonight to receive one of Singapore's most prestigious awards in the business and corporate sectors and would like to offer my utmost gratitude to The Business Times and DHL.

I must admit that I was somewhat stunned when I learnt of our win, especially when there are so many companies worthy of this Award.

The only reason I stand before you tonight is because of the team at JUMBO. I did not make the journey here alone. Numerous people have had, and continue to support me along the way.

I am fortunate to work alongside a team of F&B professionals, who take pride in their work and constantly push boundaries to reach greater heights.

We have created a culture where people are passionate about serving, motivated to excel, and committed to giving their best, enabling JUMBO to consistently deliver quality food and service excellence.

Indeed, JUMBO has delivered creditable results year after year, a testament of the team's effort.

It is therefore fitting for me to pay tribute to all my colleagues at JUMBO who have made this a reality.

We will not be what we are today without the unrelenting support from our business associates. On this note, I would like to thank SPRING Singapore, IE Singapore and WDA for their guidance and assistance in our corporate journey. I would also like to thank our suppliers and contractors for being JUMBO's strategic partners.

In the past 29 years, JUMBO has grown from a single restaurant to a group of restaurants with multiple brands. This award is not only a recognition of what we have accomplished today, but also a great motivational factor for us to strive for greater success, further inspiring us to bring Chilli Crabs to the world.

Once again, thank you so much for this recognition. This award belongs to everyone in the JUMBO family. Thank you!
