To: The Shareholders of
Singapore Press Holdings Limited

Dear Sir/Madam

PROPOSED RENEWAL OF THE SHARE BUY BACK MANDATE

1. BACKGROUND

1.1 Introduction. At the Extraordinary General Meeting of Singapore Press Holdings Limited (the “Company”) held on 5 December 2006 (“2006 EGM”), Shareholders had approved, inter alia, the renewal of a mandate (the “Share Buy Back Mandate”) to enable the Company to purchase or otherwise acquire issued ordinary shares in the capital of the Company. The rationale for, the authority and limitations on, and the financial effects of, the Share Buy Back Mandate were set out in the Company’s Circular to Shareholders dated 1 November 2006 (the “2006 Circular”) and Ordinary Resolution 1 set out in the Notice of the 2006 EGM.

The Share Buy Back Mandate was expressed to take effect on the date of the passing of Ordinary Resolution 1 at the 2006 EGM and will expire on the date of the forthcoming Twenty-Third Annual General Meeting (the “2007 AGM”) which has been convened to be held on 5 December 2007.

1.2 Proposed Renewal of the Share Buy Back Mandate. The Directors propose that the Share Buy Back Mandate be renewed at the 2007 AGM to authorise the Company to purchase or acquire issued ordinary shares in the capital of the Company (the “Ordinary Shares”). The Share Buy Back Mandate is set out in Ordinary Resolution No. 8(iii) under the heading “Special Business” in the Notice of the 2007 AGM accompanying the Summary Financial Report 2007 of the Company.
2. THE SHARE BUY BACK MANDATE

2.1 Rationale. The rationale for the Company to undertake the purchase or acquisition of its issued Ordinary Shares ("Share Buy Back"), as previously stated on page 5 of the 2006 Circular, is as follows:

(a) It is a principal mission of the Directors and management to constantly increase Shareholders’ value and to improve, *inter alia*, the return on equity (the “ROE”) of the Group. Share Buy Backs at the appropriate price level is one of the ways through which the ROE of the Group may be enhanced.

(b) The Share Buy Back Mandate will enable the Directors to return part of the Group’s surplus funds, in excess of the financial and possible investment needs of the Group, to the Shareholders. It is an expedient, effective and cost-efficient way of returning surplus cash to Shareholders.

(c) The Share Buy Back Mandate will give the Company greater flexibility to control, *inter alia*, the Company’s share capital structure and give Directors the ability to purchase the Ordinary Shares on the Singapore Exchange Securities Trading Limited (the “SGX-ST”), where appropriate, to buffer short-term share price volatility.

2.2 Authority and Limits on the Share Buy Back Mandate. The authority and limitations placed on purchases or acquisitions of Ordinary Shares under the Share Buy Back Mandate, if renewed at the 2007 AGM, are substantially the same as previously approved by Shareholders and are as follows:

2.2.1 Maximum Number of Ordinary Shares

Only Ordinary Shares which are issued and fully paid may be purchased or acquired by the Company. The total number of Ordinary Shares which may be purchased or acquired by the Company pursuant to the Share Buy Back Mandate is limited to that number of Ordinary Shares representing not more than 10% of the issued Ordinary Shares as at the date of the 2007 AGM at which the renewal of the Share Buy Back Mandate is approved. Any Ordinary Shares which are held as treasury shares will be disregarded for purposes of computing the 10% limit.

Based on the number of issued Ordinary Shares as at 2 October 2007, being the latest practicable date prior to the printing of this letter (the "Latest Practicable Date") and assuming no further Ordinary Shares are issued, and no Ordinary Shares are held by the Company as treasury shares, on or prior to the 2007 AGM, the purchase by the Company of up to the maximum limit of 10% of its issued Ordinary Shares will result in the purchase or acquisition of 158,830,362 Ordinary Shares. However, as at the Latest Practicable Date, the Company has, pursuant to the Share Buy Back Mandate approved by Shareholders previously, purchased 4,701,000 Ordinary Shares all of which are held by the Company as treasury shares. Accordingly, the maximum number of Ordinary Shares which may be purchased by the Company pursuant to the proposed Share Buy Back Mandate, if its renewal is approved by Shareholders at the 2007 AGM, is 158,360,262 Ordinary Shares.

2.2.2 Duration of Authority

Purchases or acquisitions of Ordinary Shares may be made, at any time and from time to time, on and from the date of the 2007 AGM at which the renewal of the Share Buy Back Mandate is approved up to:

(a) the date on which the next Annual General Meeting of the Company is held or required by law to be held; or
(b) the date on which the authority conferred by the Share Buy Back Mandate is revoked or varied,
whichever is the earlier.

2.2.3 **Manner of Share Buy Back**

A Share Buy Back may be made by way of:

(a) an on-market Share Buy Back ("On-Market Share Buy Back"), transacted on the SGX-ST through the ready market or the special trading counter on SGX-ST trading system, through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or

(b) an off-market Share Buy Back ("Off-Market Equal Access Share Buy Back") effected pursuant to an equal access scheme.

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy Back Mandate, the listing manual of the SGX-ST, including any amendments made thereto up to the Latest Practicable Date (the "Listing Manual") and the Companies Act, Chapter 50 of Singapore, as amended or modified from time to time (the "Companies Act") as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Equal Access Share Buy Back must, however, satisfy all the following conditions:

(i) offers for the Share Buy Back shall be made to every person who holds Ordinary Shares to purchase or acquire the same percentage of their Ordinary Shares;

(ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and

(iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Ordinary Shares with different accrued dividend entitlements and (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Ordinary Shares.

If the Company wishes to make an Off-Market Equal Access Share Buy Back in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

(I) terms and conditions of the offer;

(II) period and procedures for acceptances; and

(III) information required under Rules 883(2), (3), (4) and (5) of the Listing Manual.

2.2.4 **Purchase Price**

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for an Ordinary Share will be determined by the committee constituted for the purposes of effecting Share Buy Backs. The purchase price to be paid for the Ordinary Shares pursuant to Share Buy Backs (both On-Market Share Buy Backs and Off-Market Equal Access Share Buy Backs) must not exceed 105% of the Average Closing Price of the Ordinary Shares (excluding related expenses of the purchase or acquisition).
For the above purposes:

“Average Closing Price” means the average of the last dealt prices of an Ordinary Share for the five consecutive market days on which the Ordinary Shares are transacted on the SGX-ST immediately preceding the date of the On-Market Share Buy Back by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Equal Access Share Buy Back, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs after the relevant five-day period; and

“date of the making of the offer” means the date on which the Company announces its intention to make an offer for an Off-Market Equal Access Share Buy Back, stating the purchase price (which shall not be more than 105% of the Average Closing Price of the Ordinary Shares, excluding related expenses of the purchase or acquisition) for each Ordinary Share and the relevant terms of the equal access scheme for effecting the Off-Market Equal Access Share Buy Back.

2.3 Status of Purchased Ordinary Shares. Ordinary Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Ordinary Shares will expire on such cancellation) unless such Ordinary Shares are held by the Company as treasury shares. The total number of issued Ordinary Shares will be diminished by the number of Ordinary Shares purchased or acquired by the Company and which are not held as treasury shares.

2.4 Treasury Shares. Under the Companies Act, Ordinary Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act, are summarised below:

2.4.1 Maximum Holdings

The number of Ordinary Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Ordinary Shares.

2.4.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

2.4.3 Disposal and Cancellation

Where Ordinary Shares are held as treasury shares, the Company may at any time:

(a) sell the treasury shares for cash;
(b) transfer the treasury shares for the purposes of or pursuant to an employees’ share scheme;
(c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;

(d) cancel the treasury shares; or

(e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

2.5 **Funding of Share Buy Backs.** The Company may use internal sources of funds, or a combination of internal resources and external borrowings, to finance Share Buy Backs. The Directors do not propose to exercise the Share Buy Back Mandate to such an extent that it would materially affect the working capital requirements or investment ability of the Group.

2.6 **Financial Effects.** The financial effects of a Share Buy Back on the Group will depend on, *inter alia*, whether the Ordinary Shares are purchased or acquired out of profits and/or capital of the Company, the number of Ordinary Shares purchased or acquired, the price paid for such Ordinary Shares and whether the Ordinary Shares purchased or acquired are held in treasury or cancelled. The financial effects on the audited financial information of the Group for the financial year ended 31 August 2007 are based on the assumptions set out below:

2.6.1 **Purchase or Acquisition out of Profits and/or Capital**

Under the Companies Act, purchases or acquisitions of Ordinary Shares by the Company may be made out of the Company’s profits and/or capital.

Where the consideration paid by the Company for the purchase or acquisition of Ordinary Shares is made out of profits, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Ordinary Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

2.6.2 **Number of Ordinary Shares Acquired or Purchased**

Based on the number of issued and paid-up Ordinary Shares as at the Latest Practicable Date and assuming no further Ordinary Shares are issued, and no further Ordinary Shares are purchased and held by the Company as treasury shares, on or prior to the 2007 AGM, the maximum number of Ordinary Shares which the Company may purchase or acquire is 158,360,262 Ordinary Shares. (Please refer to paragraph 2.2.1 above).

2.6.3 **Maximum Price Paid for Ordinary Shares Acquired or Purchased**

Assuming that the Company purchases or acquires the 158,360,262 Ordinary Shares at the Maximum Price of $4.54 for one Ordinary Share (being the price equivalent to 105% of the average last dealt prices of the Ordinary Shares for the five consecutive market days on which the Ordinary Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for such Share Buy Back is approximately $719.0 million.

The maximum amount of funds required for such Share Buy Back is the same regardless of whether the Company effects an On-Market Share Buy Back or an Off-Market Equal Access Share Buy Back.
For illustrative purposes only, assuming:

(a) the Share Buy Back Mandate had been effective on 1 September 2006;

(b) 153,550 Ordinary Shares issued pursuant to the exercise of Options granted under the Singapore Press Holdings Group (1999) Share Option Scheme adopted at an extraordinary general meeting of the Company held on 16 July 1999, as modified from time to time (the “1999 Share Option Scheme”) and 1,551 Management shares in the capital of the Company (the “Management Shares”) issued in consequence thereof between 1 September 2007 and the Latest Practicable Date, had been issued on 1 September 2006;

(c) the Company had purchased 158,360,262 Ordinary Shares on 1 September 2006 at S$4.54 for each Ordinary Share (being 105% of the average last dealt prices of the Ordinary Shares for the five consecutive market days on which the Ordinary Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date); and

(d) the purchase or acquisition of 158,360,262 Ordinary Shares was made equally out of profits and capital and cancelled or held in treasury;

the financial effects of the Share Buy Back (whether pursuant to an On-Market Share Buy Back or an Off-Market Equal Access Share Buy Back) on the audited financial information of the Group for the financial year ended 31 August 2007 would have been as follows:
**Scenario 1**

Share Buy Back of up to a maximum of 10% made equally out of profits (5%) and capital (5%) and all cancelled

Notes:

(1) Adjusted for 155,101 Ordinary Shares issued pursuant to the exercise of 153,550 Options and 1,551 Management Shares issued consequent thereof between 1 September 2007 and the Latest Practicable Date.

(2) For the purposes of the above calculations:

(a) “Shareholders’ funds” means the aggregate amount of issued share capital, treasury shares, capital reserve, share-based compensation reserve, hedging reserve, fair value reserve, retained profit and currency translation reserve;

(b) “Net assets” as disclosed above excludes minority interests;

(e) “Gearing” represents the ratio of Total borrowings to Shareholders’ funds;

(f) “Earnings per share” is calculated based on Profit attributable to shareholders and Weighted average number of issued and paid-up shares; and

(g) “Return on shareholders’ funds” is calculated based on Profit attributable to shareholders and Shareholders’ funds.

(3) The increase in profit attributable to shareholders from S$506.2 million to S$520.8 million arises mainly from the assumed sale of certain short-term investments, at market values prevailing on 31 August 2007, to finance the Share Buy Backs.
SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE FOR ILLUSTRATION PURPOSES ONLY (BASED ON THE AFOREMENTIONED ASSUMPTIONS). IN PARTICULAR, IT IS IMPORTANT TO NOTE THAT THE ABOVE ANALYSIS IS BASED ON THE HISTORICAL PROFORMA NUMBERS FOR THE FINANCIAL YEAR ENDED 31 AUGUST 2007, AND IS NOT NECESSARILY REPRESENTATIVE OF FUTURE FINANCIAL PERFORMANCE.

Although the Share Buy Back Mandate would authorise the Company to purchase or acquire up to 10% of its issued Ordinary Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of its issued Ordinary Shares. In addition, the Company may cancel all or part of the Ordinary Shares repurchased or hold all or part of the Ordinary Shares repurchased as treasury shares.

2.7 Shareholding Limits. The Newspaper and Printing Presses Act, Chapter 206 of Singapore (the “Newspaper Act”) prohibits any person from being a substantial shareholder of a newspaper company or any person, whether alone or together with his associates (as defined in the Newspaper Act) from holding or controlling 12% of the voting shares or any person from being an indirect controller (as defined in the Newspaper Act) of a newspaper company (collectively, the “Prescribed Limits”), without first obtaining the approval of the Minister for Information, Communications and the Arts (the “Minister”).

A Share Buy Back may inadvertently cause the percentage shareholding of a Shareholder whose current shareholding in the Company is close to any of the Prescribed Limits, to exceed such limits.

A Shareholder whose current shareholding is close to any of the Prescribed Limits and whose shareholding may exceed any such limits by reason of a Share Buy Back is advised to seek the prior approval of the Minister to continue to hold, on such terms as may be imposed by the Minister, the Ordinary Shares which he may hold in excess of any of the Prescribed Limits, as a consequence of a Share Buy Back.

2.8 Take-over implications arising from Share Buy Backs. Appendix 2 of the Singapore Code on Take-overs and Mergers (the “Take-over Code”) contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Ordinary Shares are set out below.

2.8.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of Ordinary Shares, a Shareholder’s proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Take-over Code. If such increase results in a change of effective control, or, as result of such increase, a Shareholder or a group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

2.8.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.
Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

(a) the following companies:
   (i) a company;
   (ii) the parent company of (i);
   (iii) the subsidiaries of (i);
   (iv) the fellow subsidiaries of (i);
   (v) the associated companies of any of (i), (ii), (iii) or (iv);
   (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
   (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and

(b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Ordinary Shares by the Company are set out in Appendix 2 of the Takeover Code (“Appendix 2”).

2.8.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 is that:

(a) unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Ordinary Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company’s voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months; and

(b) a Shareholder who is not acting in concert with Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Ordinary Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or if such Shareholder holds between 30% and 50% of the Company’s voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy Back Mandate.

Shareholders are reminded that those who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of Share Buy Backs by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

2.9 Listing Status of the Ordinary Shares. The Listing Manual requires a listed company to ensure that at least 10% of the equity securities (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public (as defined in the Listing
Manual). As at the Latest Practicable Date, not less than 99.7% of the issued Ordinary Shares are held by public shareholders. Accordingly, the Company is of the view that there is a sufficient number of Ordinary Shares in issue held by public shareholders which would permit the Company to undertake purchases or acquisitions of its Ordinary Shares up to the full 10% limit pursuant to the proposed Share Buy Back Mandate without affecting the listing status of the Ordinary Shares on the SGX-ST, causing market illiquidity or affecting orderly trading.

The Company will not effect a Share Buy Back if immediately following the Share Buy Back, the continuing shareholding spread requirement prescribed by the SGX-ST which is in force at the time of the intended Share Buy Back cannot be maintained. The Directors will ensure that Share Buy Backs will not have an adverse effect on the listing status of the Ordinary Shares on the SGX-ST.

2.10 Details of Share Buy Backs in the last 12 months. In the last 12 months immediately preceding the Latest Practicable Date, the Company purchased or acquired 1,700,000 Ordinary Shares, by way of On-Market Share Buy Backs, pursuant to the Share Buy Back Mandate approved by Shareholders at the 2006 EGM. The highest and lowest price paid was S$4.28 and S$4.08 per Ordinary Share respectively. The total consideration paid for all of the purchases was S$7,135,432.93.

3. DIRECTORS’ INTERESTS

3.1 Directors’ Interests in Ordinary Shares. The interests of the Directors in Ordinary Shares as recorded in the Register of Directors’ Shareholdings as at the Latest Practicable Date are set out below:
