We have audited the accompanying financial statements of Singapore Press Holdings Limited (the “Company”) and its subsidiaries (the “Group”) set out on pages 75 to 159, which comprise the balance sheets of the Company and of the Group as at August 31, 2010, the consolidated income statement, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement of the Group for the financial year then ended, and a summary of significant accounting policies and other explanatory notes.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Singapore Companies Act (Cap. 50) (the “Act”) and Singapore Financial Reporting Standards. This responsibility includes:

(a) devising and maintaining a system of internal accounting control sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair profit and loss accounts and balance sheets and to maintain accountability of assets;

(b) selecting and applying appropriate accounting policies; and

(c) making accounting estimates that are reasonable in the circumstances.

Auditors’ Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion,

(a) the balance sheet of the Company and the consolidated financial statements of the Group are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Company and of the Group as at August 31, 2010, and the results, changes in equity and cash flows of the Group for the financial year ended on that date; and

(b) the accounting and other records required by the Act to be kept by the Company and by those subsidiaries incorporated in Singapore of which we are the auditors, have been properly kept in accordance with the provisions of the Act.
